IMPORTANT - USE OF YOUR INFORMATION

Any information you provide, including information you give us in the future, may be held on record by the Society. The record may be held as a computer record. The Society may use this information for purposes of customer administration, research and statistical analysis, and for fraud prevention for the benefit of the Society and its customers.

Marketing of other Products and Services

We would like to tell you about our financial products, services, promotions, offers, events and competitions such as mortgages, savings, personal loans and insurances which may be of interest to you, and to introduce you to or pass your contact details and details of the types of products we have provided you with to our associated companies in the Tipton & Coseley Group ("the Group") and to other organisations for them to use in the same way.

We would like to be able to contact you by telephone (including mobile), fax, post, or email using the contact details which you provide in this form, or which you provide or we obtain in our dealings with you. Some of these contact methods may involve you being automatically selected to receive a pre-recorded message, or may involve a SMS/text on your mobile phone.

You can choose whether to be contacted for marketing purposes, so if you **do not** wish this, please indicate your preferences by ticking the relevant boxes in the declaration section of this form. If you decide not to tick the box now, but later decide that you wish us to stop this use, you can at any time ask us to do so by writing to us at Tipton & Coseley Building Society, 70 Owen Street, Tipton, West Midlands, DY4 8HG. You can also contact us here if you would like a list of companies within the Tipton & Coseley Group.

Credit Reference Agencies for verification of identity

We may make searches about you at credit reference agencies who will supply us with information, including information from the Electoral Register, for the purpose of verifying your identity. The agencies will record details of the search, whether or not this application proceeds. The searches will not be seen or used by lenders to assess your ability to obtain credit. Credit searches and other information which is provided to us and/or the credit reference agencies about you and those with whom you are linked financially may be used by the Society and other companies if you, or other members of your household, apply for other facilities including insurance applications and claims. This information may also be used for debt tracing and the prevention of money laundering as well as the management of your account. Alternatively, we may also ask you to provide physical forms of identification.

Fraud Prevention Agencies

To prevent or detect fraud, or to assist in verifying your identity, we may make searches of records held by other companies within our Group and at fraud prevention agencies who will supply us with information. We also pass information to government departments and to financial and other organisations involved in fraud prevention to protect ourselves and our customers from theft or fraud. If you give us false or inaccurate information and we suspect fraud, we will record this. We, and other companies, may use this information if decisions are made about you or others at your address on credit or credit related services or motor, household, credit, life or any other insurance facilities. It may also be used for tracing and claims assessment.

Joint Applications

An "association" between any joint applicants and/or any individual identified as a financial partner, will be created at credit reference agencies, which will link your financial records. You and anyone else with whom you have a financial link understand that each other's information will be taken into account in all future applications by either or both of you. This linking will continue until one of you successfully files a "disassociation" at the credit reference agencies.

Under current Data Protection legislation, you have the right to ask us to send you a copy of your records (on payment of an administration fee) and the right to change any of your information that is incorrect. You also have the right of access to your personal records held by credit and fraud agencies. We will supply their names and addresses upon request.
