### What you need to know:

**Please note:** The minimum loan amount is **£100,000**, unless otherwise stated.

**'ERC's' refer to Early Repayment Charges.**

1 Early Repayment Charges apply during the product term. Up to 10% of the original mortgage amount can be overpaid each year without charge, however, if the mortgage is redeemed or switched to another product during the product term then the Early Repayment Charge will apply. For further details contact a member of the team.

2 Interest rates on our discount products are floored and can't fall below the rate shown.

3 The arrangement fee can be deducted from the advance or added to the mortgage. Interest is payable if the fee is added to the mortgage.

4 We'll cover the costs of any standard legal fees involved. Any non-standard costs must be paid by your client. You'll be advised of any non-standard costs should any apply. If your client chooses to use our own conveyancers they'll only act for us, and not for your client, during the remortgage transaction. If your client needs to add or remove a name on the mortgage they must appoint their own solicitors, in which case they'll receive £250 cashback towards their costs

5 We'll cover the cost of a standard mortgage valuation on a property valued up to £400,000, which is equivalent to a £350 contribution towards the cost of a standard valuation. Your client may choose to have a RICS Homebuyers Report, however they'll have to cover the difference in cost between a standard mortgage valuation and the RICS Homebuyers Report.
