

# Tariff of mortgage charges

We are closely involved in the mortgage industry's initiative with the Council of Mortgage Lenders and Which? to make our fees and charges easy for you to understand. Our tariff of charges reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages. When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge these fees.

## If you are unable to pay your mortgage

These are the most common charges you may have to pay if you fail to keep up with your mortgage payments. Some charges, for example those covering unpaid/returned direct debits or cheques, occur at the early stages of your inability to pay (arrears). Other charges, for example, relating to our repossession of the property, may apply later in the process and will be dependent on your circumstances.

Name of charge	What this charge is for	How much is the charge?
Unpaid/returned direct debit or cheque	Payable when your nominated bank rejects a direct debit collection, or your payment by cheque is returned unpaid by your bank.	£15
Failed internal transfer	Payable when your internal transfer fails due to insufficient funds being in the account to cover the transfer.	£15

## Ending your mortgage term

Name of charge	What this charge is for	How much is the charge?
Early Repayment Charge	You may be charged this if you repay your mortgage in full before the mortgage term ends.	The fee will be a percentage of the amount repaid
Deeds release fee	You will be charged this if you repay your mortgage in full.	£35
Deeds sealing fee	You will be charged this if you repay your mortgage in full.	£65
Redemption statement fee	You will be charged this if you repay your mortgage in full before the mortgage term ends.	£25

Due to the way daily interest is calculated, as well as receiving credit on the day of making any payments, you will also be charged interest after your account is debited with any of these charges. You can avoid this by paying the appropriate amount either by cash or cheque made payable to yourself and quoting your account number.

These charges are reviewed annually and are subject to change.

Fees and charges correct as at 28 September 2023.
