Proving your identity

To comply with money laundering regulations and to protect our customers from fraud, we must confirm the identity and address of every applicant. We are able to access credit reference agency databases which, in most cases, will allow us to open your account without any paper-based identification. This will show as a search of the database only and not a credit score, so will not affect your credit rating. If we do need further proof of identification, we will let you know. If you are opening an account at one of our branches, you may want to bring two forms of ID with you, one form of identification for your identity and one for your address. To view our list of acceptable identification, please visit our website www.thetipton.co.uk, ask a member of our team, or call us on 0121 557 2551. We will not carry out credit reference agency searches against customers under 18.
