What you need to know:

Please note: The minimum loan amount is **£50,000**, unless otherwise stated.

1 Early Repayment Charges apply during the product term. Up to 10% of the original mortgage amount can be overpaid each year without charge, however, if the mortgage is redeemed or switched to another product during the product term then the Early Repayment Charge will apply. For further details contact a member of the team.

2 The arrangement fee can be deducted from the advance or added to the mortgage. Interest is payable if the fee is added to the mortgage.

3 We'll cover the cost of a standard mortgage valuation on a property valued up to £400,000, which is equivalent to a £350 contribution towards the cost of a standard valuation. Your client may choose to have a RICS Homebuyers Report, however they will have to cover the difference in cost between a standard mortgage valuation and the RICS Homebuyers Report

4 Our Flexible Family Assist product means the 20% security can be made up of borrower deposit and either the collateral charge or savings options detailed above in any ratio (with a maximum of 10% borrower deposit) best suited to the borrower and their family.

Our discount products carry product rate floors, meaning rates cannot drop below this amount.

All our fixed rate products have a standard income multiple of 4.49 times.

Our discount rate products up to 85% LTV have a standard income multiple of up to 5.5 times, with the exception of our Family Assist product and higher LTV discount products which have a standard income multiple of 4.49 times.
